

CERTIFICATE

It is hereby certified that the company

Antilope De Bie Printing

Nijverheidsstraat 6, BE-2570 Duffel

has undergone an extensive test in accordance with

ISO 12647 - Process Standard Offset „Premium-PSO“- reduced tolerances -

and has adhered to all predefined reference values within the permissible tolerances.

It is hereby expressly confirmed that the tolerances in tone value increase, spreading and solid tone colour, which were further reduced by at least 1%, were adhered to.

The test included the following main points:

- Data handling & colour management
- Creation of contract proofs
- Platemaking
- Setting up print jobs & production run in sheet-fed offset printing

The measurement results have been documented with the certificate number pq210907rs.

The certificate is valid until 30 September 2023.

print quality certifies that the holder of the certificate possesses excellent skills and proven quality in all parameters tested.
